## **Independent Auditor's Report**

To  
The Members of NV Distilleries & Breweries (AP) Private Limited

### **Report on the audit of the Standalone financial statements**

#### **Opinion**

We have audited the accompanying Standalone financial statements of NV Distilleries & Breweries (AP) Private Limited ("the Company"), which comprise the balance sheet as at March 31, 2022, and the Statement of Profit and Loss, Statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, its loss and cash flows for the year ended on that date.

#### **Basis for opinion**

We conducted our audit in accordance with the standards on auditing specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Information other than the Standalone financial statements and auditors' report thereon**

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexure to Board's Report, Business Responsibility Report but does not include the Standalone financial statements and our auditor's report thereon.

Our opinion on the Standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

### **Management's responsibility for the Standalone financial statements**

The Company's board of directors are responsible for the matters stated in section 134 (5) of the Act with respect to the preparation of these Standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian accounting standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The boards of directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's responsibilities for the audit of the Standalone financial statements**

Our objectives are to obtain reasonable assurance about whether the Standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern
- Evaluate the overall presentation, structure and content of the Standalone financial statements, including the disclosures, and whether the Standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## Report on other Legal and Regulatory Requirements

- 1) As required by Section 143 (3) of the Act, we report, to the extent applicable, that -
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - c) The balance sheet, the statement of profit and loss and the cash flow statement dealt with by this Report are in agreement with the books of account;
  - d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies(Accounts) Rules, 2014;
  - e) On the basis of the written representations received from the directors as on 31<sup>st</sup> March 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March, 2022 from being appointed as a director in terms of Section 164 (2) of the Act;
  - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, we state that, this reporting requirement is Not Applicable to the Company as per the Notification no. G.S.R. 583(E) dated 13<sup>th</sup> June, 2017 and
  - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, we state that the matter relating to Managerial Remuneration is not applicable to the Company being a Private Limited Company
  - h) With respect to the other matters to be included in the Auditor's Reports in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to explanation given to us:
    - i. The company does not have any pending litigation as at March, 31<sup>st</sup> 2022 which would impact its financial position.
    - ii. The company did not have any long term contract nor any derivative contracts.
    - iii. The provisions of Investor Education and Protection fund are not applicable to the company.

- iv. a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested by the company to or in any other person(s) or entities, including foreign entities ("Intermediaries"), with the understanding that the intermediary shall whether directly or indirectly lend or invest in other persons or entities identified in any manner by or on behalf of the company (Ultimate Beneficiaries) or provide any guarantee, security or the like on behalf of ultimate beneficiaries.
- iv. (b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the company from any person(s) or entities including foreign entities ("Funding Parties") with the understanding that such company shall whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the funding party (ultimate beneficiaries) or provide guarantee, security or the like on behalf of the Ultimate beneficiaries.
- iv. (c) In view of the above, based on such audit procedures which we considered reasonable and appropriate in the circumstances, nothing has come to their notice that has caused them to believe that the representations under sub-clause (a) and (b) contain any material mis-statement.
- v. The Company has not declared or paid any dividend during the year.

2) The matters specified in paragraph 3 and 4 of the Companies (Auditor's Report) Order, 2016 (the Order) issued by Central Government of India in terms of sub-section (11) of section 143 of the Act are not applicable to the company.

**NV Distillers & Breweries (AP) Private Limited**  
**Notes to financial statement for the year ended 31 March 2022**

**Summary of significant accounting policies and other explanatory information**

**1. Company information**

NV Distillers & Breweries (AP) Private Limited ("the Company") is a private limited company domiciled and headquartered in Maharashtra, India. It is incorporated under the Companies Act, 1956.

**2. Significant accounting policies**

**a. Basis of Preparation**

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the 'Act') and Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time, and other relevant provisions of the Act.

The special purpose interim standalone financial statements have been prepared to comply in all material aspects with the Indian Accounting Standards (Ind AS) notified under Section 133 of Companies Act, 2013 (the "Act") read with the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act and rules framed thereunder.

The special purpose interim standalone financial statements have been prepared by the management solely to enable preparation of special purpose interim consolidated financial statements of Holding Company which shall be used to prepare the restated consolidated financial information to be included in Draft Red Herring Prospectus and prospectus to be filed by the Holding Company with the Securities and Exchange Board of India ("SEBI") in connection with the proposed Initial Public Offering ('IPO') (referred to as the "Issue") and accordingly, the comparative financial figures for the Interim Standalone Statement of Profit and Loss and Interim Standalone Cash Flow Statement as required under Ind AS 34 'Interim Financial Reporting' are not included in these financial statements.

The accounting policies are applied consistently to all the periods presented in the financial statements, including amendments in Schedule III to the Companies Act, 2013 applicable from 1<sup>st</sup> April 2021.

The financial statements have been prepared on a historical cost convention and accrual basis, except for the certain financial assets and liabilities that are measured at fair value.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III to Companies Act, 2013.

**b. Cash and cash equivalents**

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet

**c. Property plant and equipment (including Capital Work-in-Progress)**

Freehold land is carried at historical cost. Historical cost includes expenditure that is attributable to the acquisition/construction and all other costs (including borrowing related to qualifying assets), that are not refundable and are necessary to bring the asset to its working condition of use as intended.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is possible that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to statement of profit or loss during the reporting period in which they are incurred.

The cost of property, plant and equipment which are not ready for their intended use before such date, are disclosed as capital work-in-progress.

**NV Distillers & Breweries (AP) Private Limited**  
**Notes to financial statement for the year ended 31 March 2022**

Gains or losses arising from derecognition of property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit and loss when the asset is derecognised.

**d. Borrowings**

Borrowings are initially recognised at fair value (net of transaction costs incurred). Any difference between the proceeds (net of transaction costs) and the redemption amount is recognized in Statement of profit and loss over the period of the borrowings using the effective interest method. Subsequently all borrowings are measured at amortised cost using the effective interest rate method.

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in statement of profit or loss. The gain / loss is recognised in other equity in case of transaction with shareholders.

**e. Borrowing Costs**

General and specific borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use, are added to the cost of those assets, until such time the assets are substantially ready for their intended use. All other borrowing costs are recognised as an expense in statement of Profit or Loss in the period in which they are incurred.

**f. Provisions, Contingent Liabilities and contingent assets**

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects the current market assessments of time value of money and the risks specific to the liability. The increase in the provision due to passage of time is recognised as interest expense. The provisions are reviewed at each Balance Sheet date and adjusted to reflect the current management estimates.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events, whose existence would be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company, or a present obligation where outflow of resources is not probable or where outflow is possible but reliable estimate of the amount cannot be made.

Contingent assets are not recognised in the financial statements. However, they are disclosed only when an inflow of economic benefits is probable.

**g. Earnings per share**

Basic earnings per share are calculated by dividing the net profit or loss (excluding other comprehensive income) for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for events such as bonus issue, bonus element in a right issue, shares split (sub-division) and reverse share splits (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss (excluding other comprehensive income) for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

**3. Critical estimates and judgements**

The preparation of financial statements in conformity with Ind AS requires estimates and assumptions to be made by the Management of the Company that affect the reported amounts of assets and liabilities and amounts disclosed as contingent liabilities on the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Differences between actual results and estimates are recognised in the period in which the results are known.

**NV Distillers & Breweries (AP) Private Limited**  
**Notes to financial statement for the year ended 31 March 2022**

The Management believes that these estimates are prudent and reasonable and are based upon the Management's best knowledge of current events and actions. Actual results could differ from these estimates and differences between actual results and estimates are recognised in the periods in which the results are known or materialised.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed.

Examples of such estimates include the useful life of property, plant and equipment, provision for doubtful debts/advances, future obligation in respect of retirement benefit plans, provision for inventory obsolescence, impairment of investments/assets, etc.

**i) Property, plant and equipment and Intangible Assets:**

Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation/amortisation to be recorded during any reporting period. The useful lives and residual values as per schedule II to the Companies Act, 2013 or otherwise are based on the Company's historical experience with similar assets and taking into account anticipated technological changes, whichever is more appropriate.

**ii) Income Tax:**

The Company reviews at each balance sheet date the carrying amount of deferred tax assets. The factors used in estimates may differ from actual outcome which could lead to an adjustment to the amounts reported in the standalone financial statements.

**iii) Contingencies:**

Management has estimated the possible outflow of resources at the end of each annual reporting financial year, if any, in respect of contingencies/claim/litigations against the Company as it is not possible to predict the outcome of pending matters with accuracy.

## 15 Fair Value Measurement

Particular	31 March 2022	31 March 2021
	<b>Amortised cost</b>	
<b>Financial assets - current</b>		
Cash and cash equivalents	1.87	1.87
<b>Financial liabilities - non-current</b>		
Borrowings	1,451.29	1,347.75
<b>Financial liabilities - current</b>		
Borrowings	379.90	379.90
Other financial liabilities	40.86	40.77

### I. Fair value hierarchy

The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the company has classified its financial instruments into the three levels

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. For example, listed equity instruments that have quoted market price.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, contingent consideration and indemnification asset included in level 3.

### II. Valuation techniques used to determine fair value

The fair values for non-current borrowings are based on discounted cash flows using a discount rate determined considering the incremental borrowing rate of the company. The same has been categorised

### **III. Assets and liabilities accounted at amortised cost for which fair values are disclosed**

During the periods mentioned above, there have been no transfers amongst the levels of hierarchy.

The carrying amounts of trade receivables, cash and cash equivalents and other bank balances, current loans, other current financial assets, trade payables, current borrowings and other current financial liabilities are considered to be approximately equal to the fair value, due to their short term nature.

**NV Distilleries & Breweries (AP) Private Limited**  
**Notes to financial statement for the Year ended 31 March 2022**

All figures are in ₹ lakhs unless stated otherwise

**16 Financial risk management**

**A Liquidity risk**

Liquidity risk is the risk that the company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses. The company's objective is to maintain optimum levels of liquidity and to ensure that funds are available for use as per requirement.

The liquidity risk principally arises from obligations on account of financial liabilities viz. borrowings, trade payables and other financial liabilities.

The finance department of the company is responsible for liquidity and funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the company's net liquidity position through rolling forecast on the basis of expected cash flow

**(i) Maturities of financial liabilities**

The table below summarises the maturity profile of the company's financial liabilities based on contractual undiscounted payments at each reporting date.

**As at 31 March 2022**
